

## Barbra Streisand's Plans for 2009???

Barbra Streisand (born April 24, 1942 at 5:08 AM in Brooklyn, NY; Asc 8 Aries 22) was a guest this past Sunday at the White House as she was a recipient of the Kennedy Center Honors. The honors recognize individuals who helped define American culture through the performing arts.

In light of this news, I was curious to take a look at Streisand's horoscope. When I saw the lineup of Solar Arcs for 2009, all clumped together between August and November, I could only wonder what Streisand has planned for the coming year?!

SA Uranus conjunct Pluto (8/09)  
SA Uranus square Sun (9/09)  
SA Sun square Ascendant (10/09)  
SA Pluto opposed Ascendant (11/09)

All of this leads right into transiting Pluto conjunct her Midheaven with the first hit in February 2010!

And if that weren't enough, just slightly down the road in 2012, transiting Uranus will conjunct her Ascendant. Along with SA Midheaven opposed the Node!!!

Talk about a lineup of measurements! I researched the internet to get an inkling of what may lie ahead for Streisand, but to no avail. I didn't find any concert dates, events or plans scheduled for 2009. What I did discover is that she does speak her mind in small, concise blog posts on her website particularly centered around the current election and her political point of view.

Looking more closely at 2009, the transit activity is slim to say the least. We do however see tr. Saturn opposed Venus ruling the 2<sup>nd</sup> and 7<sup>th</sup> houses coinciding with a minor SA of Saturn=Venus in the March/April time period. As well, the final hit of tr. Uranus square the Sun/Moon midpoint in March (and tr. Saturn square the Sun/Moon in August 2009). Marital concerns are certainly one strong possibility.

I would love to ask Barbra Streisand what she's got cooking for the next 6 to 12 months ahead. Will she become more involved in politics? Produce or direct a new film? Your guess is as good as mine. Perhaps we'll just have to wait and see.
